Together, we're more.™

SPEAKERS

DR ANGELO LAZARIS

Dr Angelo Lazaris has established his reputation as one of Sydney's most respected general and cosmetic dentists through an authentic dedication to his profession, his patients and his art. Dr Lazaris earned his Bachelor of Dental Surgery degree with Honours in 1991 from the University of Sydney. Since

graduating, he has completed a number of post-graduate courses and educational programmes, both in Australia and overseas, furthering his knowledge and experience in the fields of Cosmetic Dentistry, Dental Implants and Complex Restorative Dentistry, which are areas of special interest for his practice.

In 2014, Dr Lazaris graduated from the highly prestigious Kings College London Dental School's Post Graduate Masters in Aesthetic Dentistry program; making him one of the first dentists in Australia with this formal qualification.

Dr Lazaris teaches and lectures extensively on aesthetic and contemporary restorative dentistry nationally and abroad for prestigious institutions including Kings College and has been appointed as faculty and course director for aesthetic restorative dentistry for an international blended learning platform.

In 2011, Dr Lazaris was awarded the status of Invisalign Platinum Elite Provider, cementing his status as one of Sydney's most prolific and experienced Invisalign specialists.

Dr Lazaris' passion for excellence in dentistry has seen him introduce a number of innovations and techniques that are revolutionizing modern dentistry and seldom seen holistically integrated in the one facility. These include smile design analysis, CEREC cad cam restorations, biomimetic dentistry, the all on 4 immediate implant technique, 3D CAT SCAN implant surgical planning, Btx and dermal filler treatments and Invisalign clear aligners. www.drangelolazaris.com

DR GEOFF PATTERSON

Dr Geoff Patterson completed his dental training at the University of Pretoria in 2007, After spending a few years in general practice he completed his masters degree in Oral Medicine and Periodontics at the University of Pretoria , which he completed with distinction (cum laude). He is the director of the ITI Gauteng study club and is an active

member and lecturer in the Gauteng Specialists study group (Periodontics-Prosthodontics). He is currently in full time private practice in the east of Pretoria
